Auburn Police Department

Emergency 911

Business 483-2134

Fax Number 483-2013

The emergency number is manned on a 24-hour basis, seven days per week. After business hours Rockingham County Sheriff's Office takes the emergency line. The emergency number is available to Auburn residents for ambulance, wreckers and all other forms of emergency assistance.

Snow Disposal Ordinance

Any person found shoveling snow into a town road or plowing snow across the road, so as to impede normal plowing operations, will be subject to a penalty not to exceed \$25.00 each offense.

Emergency Phone Numbers

Auburn Police 911

State Police 1-800-525-5555

Fire Department Emergency 911
Non-Emergency 483-8141

Ambulance 911

Poison Control .. 1-800-562-8236

Antidote information is provided in cases of accidental poisoning or drug abuse.

TO REPORT A FIRE DIAL 911

Burning Regulations

The State of New Hampshire requires that written permits be obtained for all open fires at all times when the ground is not snow covered.

Permits may be obtained from the Auburn Volunteer Fire Department for grass, brush, campfires, etc. Permits must be obtained on the day burning is to be accomplished. Burn when there is no wind, on rainy days, in a safe place and in accordance with the term of the permit. Burn before 9:00 a.m. and after 5:00 p.m. Keep some buckets of water close by; if wind develops, promptly extinguish the fire. All fires must be extinguished before you depart the scene.

Parking During Snow Storms

- A. From November 2 to April 1 of each year no person shall park any motor vehicle on any public highway between the hours of 11:00 p.m. and 8:00 a.m. or at any time in such manner as to impede snow removal operations.
- B. Any vehicle parking in violation of Section A hereof may be towed by the road agent, the chief of police or their agents or by independent contractors engaged by the road agent or the chief of police; any vehicles so towed shall be stored and released to the owner only upon payment of the cost of towing and storage by the owner.
- C. Any person violating Section A hereof shall be subject to a penalty not to exceed twenty-five (\$25.00) dollars for each offense.

Dog Ordinance

- A. **RESTRAINT:** All dogs shall be restrained from running at large within the limits of the town, except when they are on the owner's or keeper's property or being used for hunting or training purposes.
- B. **PENALTY:** Any person or persons, firm or corporation violating any provisions of this ordinance shall, upon conviction, be fined not more than fifteen (\$15.00) dollars for each offense.

TOWN OF AUBURN

To The Residents of Auburn:

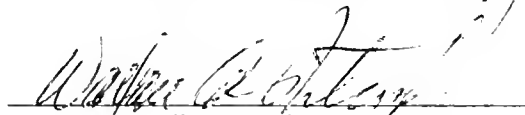

As we come to election time again we are reminded that the price of freedom is eternal vigilance. We come to town meeting out of obligation and pride in the freedoms we have.

One thing that has become apparent is that citizens are making a great effort to heal the hurts that had dug deeply for a time.

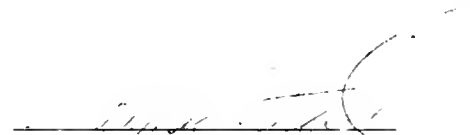

Through it all our citizens and neighbors banded together for a great volunteer effort to build the Circle of Fun Playground. This accomplishment can be held with pride by all Auburn residents because once again the volunteer spirit of the town was evident.

A year ago Auburn voters elected Don Benyo to the Board of Selectmen. Don spent many hours learning the workings of the town government. His thirst for knowledge is rarely seen and he will be missed and be in our thoughts for a long time to come.

On a personal note, I would like to thank all Auburn residents and voters for allowing me to serve you. As I end my three years on the Board of Selectmen I realize that we have not always seen eye to eye as a board and also with the citizens. One thing remained clear through it all, people in this town are willing to work together to come to a common end, that we have harmony.

Wallace A. Titcomb, Jr.

Paula T. Marzloff

James F. Headd

In Memoriam

DONALD BENYO
1943 - 1996

Selectman . . . March 1996 - October 1996

Town Warrant

State of New Hampshire — Rockingham, SS

To the inhabitants of the town of Auburn, in the County of Rockingham in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the gymnasium in the Auburn Village School in said Auburn on Tuesday, March the eleventh of next, at seven of the clock in the forenoon, to act upon the following subject:

To bring your ballots for:

FIRST: Selectman for three years
Selectman for two years
Treasurer for one year
Highway Agent for three years
Library Trustee for three years
Cemetery Trustee for three years - Auburn Village
Cemetery Trustee for three years - Longmeadow
Trustee of Trust Funds for three years
Auditor for two years
Police Commission for one year
Police Commission for two years
Police Commission for three years

SECOND: Shall we adopt the provisions of RSA 40:13 to allow official ballot voting on all issues before the Town of Auburn? (By Petition) (3/5ths vote required to adopt the article) (*Not recommended by Board of Selectmen*)

THIRD: Shall we modify the elderly exemptions from property tax in the Town of Auburn, based on assessed value, for qualified taxpayers, to be as follows: for a person 65 years of age up to 75 years (\$25,000.00); for a person 75 years of age up to 80 years (\$30,000.00); for a person 80 years of age or older (\$40,000.00)? To qualify, the person must have been a New Hampshire resident for at least 5 years, own the real estate individually or jointly, or if the real estate is owned by such person's spouse, they must have been married for at least 5 years. In addition, the taxpayer must have a net income of not more than (\$13,400.00) or, if married, a combined net income of less than (\$20,400.00); and own net assets not in excess of (\$35,000.00 including the value of the person's residence). (Majority vote required) (*Recommended by Board of Selectmen*)

FOURTH: To see if the Town of Auburn will vote to adopt the following amendments to the existing Town Zoning Ordinance as proposed by the Planning Board.

1. Are you in favor of the adoption of Amendment No. 1 as proposed by the Planning Board, for the Town Zoning Ordinance as follows: Amend Article 2.02 **Words and Terms** to change the definition of "Lot" in the zoning ordinance to further clarify those circumstances under which nonconforming lots in common ownership will be merged and to add the provisions for voluntary merger in accord with NH RSA 674:39-a.
(*Recommended by the Planning Board*)
2. Are you in favor of the adoption of Amendment No. 2 as proposed by the Planning Board, for the Town Zoning Ordinance as follows: Amend Article 2.02 to add a Defini-

tion of **Antennas and Communications Towers**.

Add a new Article 3.21 **Antennas and Communications Towers** to regulate the construction and use of antennas and communications towers used for other than amateur radio purposes such that antennas and communication towers will be restricted to the industrial zone and permitted in that zone only by special exception.

Further, amend Article 4.08 (2) "**I**" **Industrial** to allow Antennas and Communications Towers as a special exception and amend the Appendix to show the same.
(*Recommended by the Planning Board*)

3. Are you in favor of the adoption of Amendment No. 3 as proposed by the Planning Board, for the Town Zoning Ordinance as follows: Amend Article 3.18 **Travel Trailer Park/Travel Trailer** to add the following sentence: All travel trailer parks shall require site plan approval by the Planning Board and shall have a density of no more than eight (8) units per acre excluding wetlands, lakes, brooks, streams, slopes in excess of twenty percent and other unusable areas.

Amend Article 4.06, 2.2 "**R-2**" **Residential-2 District** to allow Travel Trailer Park/Travel Trailer by special exception.

Amend the Appendix to show the same.
(*Recommended by the Planning Board*)

4. Are you in favor of the adoption of Amendment No. 4 as proposed by the Planning Board, for the Town Zoning Ordinance as follows: Amend Article 6.08 **Zoning Board of Adjustment** to increase the number of alternates for the Zoning Board of Adjustment from three (3) to five (5) members. (*Recommended by the Planning Board*)
(*Recommended by the Zoning Board of Adjustment*)

5. Are you in favor of the adoption of Amendment No. 5 as proposed by the Planning Board, for the Town Zoning Ordinance as follows: Amend Article 7.01 **General** to adopt the revised BOCA building code 1996 edition and CABO 1995 edition.
(*Recommended by the Planning Board*)

6. Are you in favor of the adoption of Amendment No. 6 as proposed by the Planning Board, for the Town Zoning Ordinance as follows: Re-adopt Article 3.09 **Growth Management** as written in the 1996 Amended Ordinance to continue to control the rate of growth in the Town of Auburn. (*Recommended by the Planning Board*)

7. Are you in favor of the adoption of Amendment No. 7, as proposed by the Planning Board, for the Town Zoning Ordinance as follows: Amend certain sections of Article 3.14 **Watershed Protection Regulations** to clarify that for the purpose of the Watershed Protection Regulations the watershed protection area shall include a buffer zone of a one hundred twenty-five foot (125 ft) set back from the edge of bodies of water, brooks, streams and wetlands.

Also, amend 2. **Allowable Activities** to require a functional analysis be submitted by the applicant which conclusively demonstrates that engaging in the allowed

activity listed in section 2. **Allowable Activities** will not result in the deterioration of the water quality in the protected area.

Amend 4. **Prohibited** to provide that the one hundred twenty-five foot (125 ft) buffer may, at the discretion of the Planning Board, be reduced to no less than seventy-five feet (75 ft) for certain uses upon submission of a functional analysis which shows conclusively that construction closer to the protected area will be of no negative impact to the protected area.

Add a new subpart entitled 5. **Functional Analysis** which shall define the type of functional analysis required by the Planning Board to justify a use within one hundred twenty-five feet (125 ft) of the watershed protection area. *(Recommended by the Planning Board)*
(Recommended by Conservation Commission)

Polls will be open at 7:00 a.m. and close at 7:00 p.m.

You are also notified to meet on Saturday, March the fifteenth next, at 1:00 p.m., at the Auburn Village School to consider the following articles:

FIFTH: To see if the Town will vote to accept such Trust Funds as may come in during the year and Trust Funds as have not been previously accepted.

SIXTH: To see if the Town will vote to use the income of the H.B. Burnham Fund for the schools or library.

SEVENTH: To see if the Town of Auburn will vote to adopt the provisions of RSA 202-A:4-d authorizing the library trustees to accept gifts of personal property, other than money, which may be offered to the Library for any public purpose, provided, however, that no acceptance of personal property by the library trustees shall be deemed to bind the town or the library trustees to raise, appropriate or expend any public funds for the operation, maintenance, repair or replacement of such personal property. *(Recommended by Library Trustees)*

EIGHTH: To see if the Town of Auburn will authorize the establishment of a Capital Reserve Fund (pursuant to RSA Chapter 35) for the future revaluation of the municipality and to raise and appropriate the sum of Thirty Five Thousand Dollars and no cents (\$35,000.00) towards this purpose, and appoint the selectmen as agents to administer the fund. (Majority Vote Required) *(Recommended by Board of Selectmen)* *(Recommended by the Budget Committee)* (Amount Included in the Budget)

NINTH: To see if the Town of Auburn will authorize the establishment of a Capital Reserve Fund (pursuant to RSA Chapter 35) for funding the town's share of rehabilitation of bridge #095/145 (Depot Road over Clark Pond Brook) and to raise and appropriate the sum of Fifty-Seven Thousand Dollars and no cents (\$57,000.00) towards this purpose, and appoint the selectmen as agents to administer the fund. *(Recommended by the Board of Selectmen)* *(Not Recommended by the Budget Committee)* (Amount Not Included in the Budget)

TENTH: To see if the Town of Auburn will raise and appropriate a sum not to exceed One Hundred Twenty Thousand Dollars and no cents (\$120,000.00) for a rebuild of the incinerator and costs related to the rebuild. *(Recommended by the Solid Waste Commission)* *(Recommended by the Board of Selectmen)* *(Recommended by the Budget Committee)* (Amount Included in the Budget)

ELEVENTH: To see if the Town of Auburn will vote to create an expendable general trust fund under the provision of RSA 31:19-(a), to be known as the Safety Complex Site Assessment Fund for the purpose of developing an architectural design for a safety complex, to raise and appropriate the sum of Fifteen Thousand Dollars and no cents (\$15,000.00) towards this purpose and to designate the Board of Selectmen as agents to expend. *(Recommended by the Board of Selectmen)* *(Not Recommended by the Budget Committee)* (Amount Not Included in the Budget)

TWELFTH: Shall we adopt the provisions of RSA 31:95-c to restrict Eighty-Eight Thousand Three Hundred Sixty-Seven Dollars and 30/100 cents (\$88,367.30) of revenues from State Highway Block Grant aid for the purpose of road reconstruction. Such revenues and expenditures shall be accounted for in a special revenue fund to be known as the Highway Reconstruction Fund, separate from the general fund. Any surplus in said fund shall not be deemed part of the general fund accumulated surplus and shall be expended only after a vote by the legislative body to appropriate a specific amount from said fund for a specific purpose related to the purpose of the fund or source of revenue. (Majority Ballot Vote) *(Recommended by the Board of Selectmen)* *(Recommended by the Budget Committee)* (Amount Included in the Budget)

THIRTEENTH: To see if the Town of Auburn will raise and appropriate the sum of Two Hundred Eleven Thousand Six Hundred Thirty-Three dollars and no cents (\$211,633.00) to be added to the Highway Reconstruction Fund. *(Recommended by the Board of Selectmen)* *(Recommended by the Budget Committee)* (Amount Included in the Budget)

FOURTEENTH: To see if the town will vote to authorize the Selectmen to accept gifts, for the use of the Town as may now or hereafter be forthcoming.

FIFTEENTH: To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of taxes.

SIXTEENTH: To see if the Town will vote to authorize the Selectmen to make application for and to receive and spend such advances, grants-in-aid, or other funds for Town purposes as may now, or hereafter be forthcoming from Federal, State, local or private agencies.

SEVENTEENTH: To see if the Town will vote to authorize the Selectmen to dispose of any or all property acquired by tax deed, by public auction or sealed bid, with right to reject all bids.

EIGHTEENTH: To hear the report of the Budget Committee and to see what sum of money the Town will vote to raise and appropriate to defray Town charges and legal obligations for the ensuing year.

NINETEENTH: To transact any other business that may legally come before the meeting.

Given under our hands and seals this Nineteenth day of February A.D. 1997.

Appropriations and Estimates of Revenue for the Ensuing Year January 1, 1997 to December 31, 1997 or
for Fiscal Year From _____ to _____

IMPORTANT: Please read RSA 32:5 applicable to all municipalities.

1. Use this form to list the entire budget in the appropriate recommended and not recommended area. This means the operating budget and all special and individual warrant articles must be posted.
2. Hold at least one public hearing on this budget.
3. When completed, a copy of the budget must be posted with the warrant. Another copy must be placed on file with the town clerk, and a copy sent to the Department of Revenue Administration at the address above.

THIS BUDGET SHALL BE POSTED WITH THE TOWN WARRANT

Budget Committee: (Please sign in ink.)

Julie Nadeau *779
(and one single vote)

Auditor for two years:

Paul (P.J.) Keating *750

Police Commission for three years:

Gary Philbin 80
Robert L. Rivers, Jr. *488
Hubert J. Topliff 376

Write In: Albert Samson 2

(and a smattering of single votes)

Police Commission for two years:

Vincent Galvin *494
Albert J. Samson 376
(and a smattering of single votes)

ARTICLE TWO: Shall the government of the police department of the Town of Auburn be entrusted to a police commission in accordance with RSA 105-C?

YES 487 NO 379

IF so, shall such police commissioners be chosen by:

(Please Check Only One)

476 (a) Popular election at town election

26 (b) Appointment of the governor with con-

sent of the council? (By petition) (Not Recommended by the Board of Selectmen)

ARTICLE THREE: Shall we vote to discontinue the elected office of Highway Agent in accord with NH RSA 669:17-b and authorize the Selectmen to appoint a Highway Agent in accord with NH RSA 231:62?

YES 350 NO 523

If you have voted "yes" are you in favor of having a two (2) or three year term for the appointed Highway Agent? (Recommended by the Board of Selectmen)

Two Year Term 261

Three Year Term 93

ARTICLE FOUR: Are you in favor of the adoption of Amendment No. 4 as proposed by the Planning Board, for the Town Zoning Ordinance as follows:

Amend Article 6:09 Appeals to the Zoning Board of Adjustment to conform with NH RSA 676:5(III) to provide the additional paragraph:

If, in the exercise of subdivision or site plan review, the planning board makes any decision or determination which is based upon the terms of the zoning ordinance, or upon any construction, interpretation or application of the zoning ordinance, which would be appealable to the Board of Adjustment if it had been made by the administrative officer, then such decision may be appealed to the Board of Adjustment; provided, however, that if the Planning Board decision is based on any section of this Ordinance involving innovative land use controls adopted pursuant to NH RSA 674:21, which delegate administration to the Planning Board, then the Planning Board's decision made pursuant to that delegation shall not be appealed to the Board of Adjustment, but may be appealed to the Superior Court as provided by NH RSA 677:15. Any such appeal of the Planning Board's decision or determination shall be taken within a reasonable time, as provided by the rules of the Zoning Board of Adjustment, by filing with the Planning Board and with the Zoning Board, a notice of appeal specifying the grounds thereof. The Planning Board shall forthwith transmit to the Zoning Board of Adjustment all the papers constituting the record upon which the action appealed from was taken. (Recommended by the Planning Board)

YES 541 NO 272

ARTICLE FIVE: Are you in favor of the adoption of Amendment No. 5, as proposed by the Planning Board, for the Town Zoning Ordinance as follows:

Amend Article 6:11 Motion for Rehearing, third full paragraph, to conform with NH RSA 677:3 and to read:

Upon the filing of a motion for rehearing, the Board shall within thirty (30) days either grant or deny the application, or suspend the order or decision complained of pending further consideration. Any order of suspension may be upon such terms and conditions as the Board may prescribe. (Recommended by the Planning Board)

YES 592 NO 241

ARTICLE SIX: Are you in favor of the adoption of Amendment No. 6 as proposed by the Planning Board, for the Town Zoning Ordinance as follows:

Amend Article 4:06 "R-1," Residential-One District and "R-2," Residential-Two District. 2. Uses, 2.1 "Applicable to the R-1 District, Special Exceptions, to allow by special exception the following use:

i. OUTDOOR COMMERCIAL RECREATION FACILITY.

Amend 2.02 Words and Terms, 60. Outdoor Commercial Recreation Facility, to add the following sentence.

If located in a Residential-One zone, the use of an outdoor commercial recreation facility shall be limited to a minimum lot size of fifteen (15) acres and shall not include race tracks, or outdoor movie facilities. (Recommended by the Planning Board)

YES 599 NO 255

ARTICLE SEVEN: Are you in favor of the adoption of Amendment No. 7, as proposed by the Planning Board, for the Town Zoning Ordinance as follows:

Amend Article 4:07 "C-1," Commercial-One District and "C-2," Commercial-Two District, subpart 2.2 "Applicable to the C-2 District," Permitted Uses, to permit the following use:

v. Public Recreation Facility (Recommended by the Planning Board) **YES 674 NO 174**

ARTICLE EIGHT: Are you in favor of the adoption of Amendment No. 8, as proposed by the Planning Board, for the Town Zoning Ordinance as follows:

Amend Article 2.02, Words and Terms, 25. Dwelling Unit, Accessory, to change the second full sentence and to insert the following additional sentence to read:

An accessory dwelling unit shall have no more than one (1) bedroom, and shall not exceed seven hundred, twenty-five (725) square feet in living area with a total area not to exceed eight hundred, fifty (850) square feet and shall be attached to a single family detached dwelling. The total area of an accessory dwelling unit shall not expand the total area of a single family detached dwelling by more than seventy-five percent (75%). (Recommended by the Planning Board) **Yes 573 NO 262**

ARTICLE NINE: Are you in favor of the adoption of the following Petitioned Amendment to the Town Zoning Ordinance as follows:

Amend Article Three (3), Section 3.01, known as the Nuisance Provision, to add a new subpart stating:

No privately owned and/or privately operated commercial collection facility, transfer station, transshipment facility, compaction facility, landfill, incineration facility or other facility for the commercial handling, transfer, treatment, disposal or other use or disposition of solid waste, refuse, trash, garbage, and/or other putrescible material shall be a permitted use anywhere in the Town of Auburn. (Recommended by the Planning Board) **YES 590 NO 305**

Polls will be open at 7:00 a.m. and close at 7:00 p.m.

You are also notified to meet on Saturday, March the sixteenth next, at 1:00 p.m., at the Auburn Village School to consider the following articles:

Bruce Mason, Moderator, opened the meeting at 1:00 p.m. with the Pledge of Allegiance. There were 217 registered voters in attendance.

Don Dollard, Chairman of the 150th Anniversary celebration in 1995, thanked everyone for their cooperation during 1995. Many volunteers and organizations contributed to the success of the celebration. Don read a citation received from President Bill Clinton. Don and his wife Ann, were given a large round of applause for their hard work. Auburn certainly had a great celebration! Thank you Don and Ann.

The Anniversary Quilt was on display. Moderator Bruce Mason thanked Jane Mason, Chairman, and the following ladies who were each responsible for a square: Patti Allard, Elaine Anthony, Marjorie Chase, Jarlene Cornett, Janice Griffin, Cathy Locke, Nancy Mayland, Claudette Morency, Peggy Neveu, Laurel Stacy, Lee Thomas, Cathy Vincent, Claire Wingate, Dale Phillips, and Pauline Bell. When completed, the quilt will hang in the Town Hall. What a beautiful remembrance of our 150th celebration!

The Town Clerk administered the oath of office to those present who had been elected on Tuesday.

Hubert Topliff noted changes to make in emergency telephone numbers in the Town Book.

Bruce Mason thanked Carl Anderson for the hickory gavel Carl made and presented to him. Carl was a selectman in town many years ago.

The moderator gave the rules for the meeting and the business meeting began.

ARTICLE TEN: To see if the town will vote to accept such Trust Funds as may come in during the year and Trust Funds as have not been previously accepted.

Moved by Paula Marzloff; seconded by Walter Emerson. Article Ten passed.

ARTICLE ELEVEN: To see if the town will vote to use the income of the H.B. Burnham Fund for the schools or library.

David Griffin moved the funds for the library. Seconded by Gabriele Belden. **Article Eleven passed as moved.**

ARTICLE TWELVE: To see if the Town will vote to urge our representatives to the General Court of New Hampshire and the United States Congress to pass laws reforming electoral campaign financing, thus returning the political process to the will of the people and encouraging the participation of candidates with great ability and limited means. Measures to accomplish this may include, but not be limited to, the following:

1. Sharp limitations on all forms of contributions to candidates, including soft money contributions (contributions to political parties);

2. Maximum spending limits per election linked to geographic and demographic makeup of each state and district such as \$1.00 per voter;

3. Sharp limitations on all forms of spending to influence elections, including independent expenditures;

4. Sharp limitations on contributions to and spending by political action committees; and

5. Remedies, such as free broadcast time, postal subsidies, and democratic (public) financing, to balance inequities between credible candidates, incumbent and challenger, rich and poor. (By Petition)

Article Twelve moved by William Thomas and seconded by Tom Gaumont. After limited discussion **Article Twelve passed.**

ARTICLE THIRTEEN: To see if the Town will vote to eliminate the Police Commission which was created by Article seventeen (17) of the 1964 Town Warrant and passed at the 1964 Town Meeting. (Recommended by the Board of Selectmen)

Article Thirteen moved by Charles Kellett and seconded by Paula Marzloff.

The Selectmen explained that their reason for putting in this article was to give residents a full range of choices. On the Tuesday written ballot there was a petitioned article to change the Police Commission from an advisory to an autonomous commission (which passed). If the Article on Tuesday had not passed, then this question would be put to the residents asking if they did not want the Police Commission autonomous, then did they want any Police Commission at all.

Lindsay Shearer moved to amend Article Thirteen to add "to go into effect with the establishment of the duly elected Police Commission to be elected in 1997." Seconded by Albert Samson.

Legal counsel explained that a "yes" vote on the original article would dissolve the Police Commission now and we would be one year without a commission. A "yes" vote on the amendment would dissolve the commission in March, 1997. Without any action, this would happen anyway. He suggested that a vote on this article as amended would leave a good paper trail as to what happened.

The commissioners elected this March were elected to the advisory Police Commission. The vote to change the commission to autonomous will take effect in March, 1997, when three new commissioners will be elected to the new commission; one for one year, one for two years, and one for three years.

Vote on amendment to add "to go into effect with the establishment of the duly elected Police Commission to be elected in 1997." **Amendment passed.**

Vote on article as amended. Article will now read: To see if the town will vote to eliminate the Police Commission which was created by Article Seventeen (17) on the 1964 Town Warrant and passed at the 1964 Town Meeting, to go into effect with the establishment of the duly elected Police Commission to be elected in 1997." **Article Thirteen as amended passed.**

ARTICLE FOURTEEN: *To see if the Town will vote to authorize the Selectmen to enter into a five (5) year lease/purchase agreement for the purpose of leasing new Self Contained Breathing Apparatus (SCBA) and associated equipment for the Town of Auburn use by the Auburn Volunteer Fire Department, and to raise and appropriate the sum of eleven thousand, five hundred, eighty-two dollars and ninety-two cents (\$11,582.92) for the fiscal year 1996 lease payment, or to take any other action relative thereto. (Recommended by the Budget Committee) (Amount included in the Budget) (Recommended by the Board of Selectmen)*

Article Fourteen moved by Bruce Phillips and seconded by Russell Phillips. Bruce explained that this would purchase 20 units of breathing equipment to be worn on the back. The present equipment does not meet national fire protection criteria. Article Fourteen passed.

ARTICLE FIFTEEN: *To see if the town will vote to authorize the Selectmen to enter into a six (6) year lease/purchase agreement for the purpose of leasing a new Tanker/Pumper truck and associated equipment for the Town of Auburn use by the Auburn Volunteer Fire Department. And to raise and appropriate the sum of thirty-six thousand, two hundred, ninety-five dollars and eleven cents (\$36,295.11) for the fiscal year 1996 lease payment, or to take any other action relative thereto. (Recommended by the Board of Selectmen) (Recommended by the Budget Committee) (Amount included in the Budget)*

Article Fifteen moved by Bruce Phillips and seconded by Robert Grenier. Article Fifteen passed.

ARTICLE SIXTEEN: *To see if the Town will vote to authorize the Selectmen to accept gifts, for the use of the Town as may now or hereafter be forthcoming.*

Article Sixteen moved by Wallace Titcomb, Jr., and seconded by Walter Emerson. Article Sixteen passed.

ARTICLE SEVENTEEN: *To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of taxes.*

Article Seventeen moved by Charles Kellett and seconded by Carl Anderson. Article Seventeen passed.

ARTICLE EIGHTEEN: *To see if the Town will vote to create an expendable general trust fund under the provision of RSA 31:19-(a), to be known as The Rifle Range Environmental Fund, for the purpose of assessing and remediating possible environmental hazards on Town Tax Map 6, Lot 18, owned by the Town of Auburn and known as The Rifle Range Property, to raise and appropriate the sum of Fifty Thousand Dollars and no cents (\$50,000.00) towards this purpose and to designate the Board of Selectmen as agents to expend. (Not recommended by the Budget Committee) (Recommended by the Board of Selectmen) (Amount Not Included in the Budget).*

Article Eighteen was moved by Paula Marzloff and seconded by Wallace Titcomb, Jr.

Ken Rhodes, resident and consulting engineer, reported that the US Army Corps of Engineers considers this property low risk and has no plans to remediate. The property was used by the National Guard as a firing range and without a clean-up the town would not be able to transfer ownership. It is the responsibility of the town. Basically, there needs to be a clean-up of the bullets and documentation of this clean-up.

Paula Marzloff stated there is a proposed use under negotiation which would be commercial recreational. The land is assumed contaminated until proven clean. Congressman Zeliff has been contacted and will work with the town to obtain federal help. If we show some willingness to begin, it is felt that we are more likely to get help from the government.

Al Samson asked Herb Chase, Chairman of the Auburn Industrial Development Commission, to give us his opinion. Herb

stated that the property currently does not cost the town anything. They have had interested parties in the front land, but wish to develop the whole parcel. His recommendation is to vote against this article.

Some residents expressed the opinion "let the federal government clean it up."

Steve Vanni felt that we need to turn this property into an asset instead of a liability.

John Gennetti asked the Selectmen to work in a joint effort with the AIDC.

The question was moved and everyone was ready to vote.

Article Eighteen was defeated.

ARTICLE NINETEEN: *To see if the Town will vote to authorize the Selectmen to dispose of any or all property acquired by tax deed, by public auction or sealed bid, with right to reject all bids.*

Article Nineteen moved by Eva Lunnie and seconded by Bruce Phillips. Eva Lunnie moved to amend this article to add "as justice may require." Seconded by Paula Marzloff. **Vote on amendment passed.**

Vote on Article nineteen as amended: Article will now read "To see if the Town will vote to authorize the Selectmen to dispose of any or all property acquired by tax deed, by public auction, sealed bid, with right to reject all bids, or as justice may require." **Article passed.**

ARTICLE TWENTY: *To see if the Town will vote to authorize the Selectmen to make application for and to receive and spend such advances, grants-in-aid, or other funds for Town purposes as may now, or hereafter be forthcoming from Federal, State, local or private agencies.*

Article Twenty was moved by Charles Kellett and seconded by Bernardine Donelson. Article Twenty passed.

ARTICLE TWENTY-ONE: *To hear the report of the Budget Committee and to see what sum of money the Town will vote to raise and appropriate to defray Town charges and legal obligations for the ensuing year.*

John Chambers moved Article Twenty-one in the amount of \$1,459,102.00 (One Million, Four Hundred and Fifty-nine Thousand, One Hundred and Two Dollars). Seconded by Charles Kellett.

Charles Kellett explained the method of setting the tax rate.

Steve Vanni made a motion to amend this article by adding \$15,000.00. He stated that he understood that a specific line item could not be amended, but requested that the Selectmen use this amount for a study of the Rifle Range. The Selectmen have a reputation of following the will of the people expressed under this article. Amendment seconded by Dale Phillips.

John Gennetti requested equal participation by the AIDC.

Vote on amendment was declared "No" by the Moderator and amendment was defeated. The assembly called for a count. A count of a show of hands showed the vote to be YES 96, and NO 94. AMENDMENT OF \$15,000 PASSED.

Upon receipt of a request from seven registered voters, the Moderator requested a recount of the show of hands. **A recount of a show of hands showed the vote to be YES 106, and NO 98. AMENDMENT TO ADD \$15,000 REMAINED PASSED.**

Amount of Article Twenty-one is now \$1,474,102.00.

Gale Christensen motioned to amend Article Twenty-one to add \$4,000 for the purpose of paving the skating rink. Seconded by Michael DiPietro.

This amount was deleted by the Budget Committee. Police Chief Picard felt that this was a safety issue. It is better to have people using the skating rink instead of the lake, which is often unsafe. **Amendment to add \$4,000 passed.**

The amount of Article Twenty-one is now \$1,478,102.00.

Mark Granoff, member of the Waste Management Committee, moved to amend this article to add \$3,000 to be used for improvements to our existing incinerator building. Seconded by Ken Smith.

Vote on amendment to add \$3,000; Count of show of hands. YES 94, NO 70. Amendment passed.

The amount of Article Twenty-one is now \$1,481,102.00.

Wallace Titcomb, Jr., Selectman, moved to add \$40,000 to this article to be used for winter maintenance. Seconded by Paula Marzloff. This has been an unusually harsh winter and that line item is down to \$46,000 at present. We may still have storms to contend with before Spring and will still need funds for October, November, and December.

There was discussion. The Selectmen were asked if they could take monies from the contingency fund held by DRA. Paula Marzloff stated that we could only use these funds if there were a catastrophic emergency. The Selectmen will be faced with deciding what summer maintenance not to do if this amendment is not passed. Paula explained that they do not like to move funds from one account to another because it does not give a true picture of funds used at the end of the year.

Vote on amendment to add \$40,000: NO. Amendment Failed.

The amount of Article Twenty-one is now \$1,481,102.00.

The Moderator asked for a vote on the new amended amount of \$1,481,102.00 (One Million, Four Hundred Eighty-One Thousand, One Hundred and Two Dollars) the Town will

vote to raise and appropriate to defray Town charges and legal obligations for the ensuing year.

Article Twenty-one, as amended, in the amount of \$1,481,102.00 (One Million, Four Hundred Eighty-one Thousand, One Hundred and Two Dollars) to defray Town charges and legal obligations for the ensuing year PASSED.

ARTICLE TWENTY-TWO: *To transact any other business that may legally come before the meeting.*

Paula Marzloff thanked Charles Kellett for his years of service on the Board of Selectmen. He was instrumental in the forming of the Insurance Committee which has benefited the Town, was a member of the 911 Committee and has been an asset to our Town. Charlie received a round of applause. Thank you, Charlie!

James Andrus moved to adjourn, seconded by John Chambers. Meeting adjourned at 3:30 p.m.

Respectfully submitted,
NANCY H. GAGNON
Town Clerk.

Report of the Southern New Hampshire Planning Commission

The Southern New Hampshire Planning Commission has a wide range of services and resources available to help the dues-paying members deal with a variety of municipal issues. Technical assistance is provided by a professional staff whose expertise is, when necessary, supplemented by consultants who are selected for their specialized skills or services. Each year, with the approval of your appointed representatives, the Commission staff designs and carries out programs of area-wide significance that are mandated under New Hampshire and federal laws or regulations, as well as local or site-specific projects which would pertain more exclusively to your community.

Technical assistance is provided in a professional and timely manner by staff at the request of your Planning Board, Board of Selectmen, and various municipal department heads. The Commission conducts planning studies and carries out projects that are of common interest and benefit to all member communities, keeps your officials apprised of changes in planning and land use regulation, and offers training workshops for Planning and Zoning Board members on an annual basis.

Services that were performed for the Town of Auburn during the past year are as follows:

1. Co-sponsored the Municipal Law Lecture series. These meetings were attended by Auburn officials.

2. Conducted traffic counts at seven locations in the Town of Auburn. Copies of the traffic counts were forwarded to the Chairman of the Planning Board.

3. A copy of the Regional Transportation Plan Update and the Transportation Improvement Program FY'97-'99 was forwarded to the Town with a copy to the Town's public library.

4. Updated the Town road base map with corrections to the road names, as supplied by the Town.

5. The Town was furnished with the "Suggested Schedule" for the March 1997 Annual Town Meeting.

6. Provided a video entitled "Zoning and the ZBA" for the use of the Planning Board.

7. Provided informational material regarding the Telecommunications Act of 1996 to the Board of Selectmen, Planning Board and the Zoning Board of Adjustment.

Auburn's Representatives to the Commission are:

Charles "Stoney" Worster
Vacant

Executive Committee Member:
Charles "Stoney" Worster

REPORT OF THE TRUSTEES

We are pleased to report that utilization of our Library continues to increase. During the previous three years, our annual circulation (the number of books, periodicals and videos checked out) was: 1993 - 6,771; 1994 - 11,802; 1995 - 11,951. In 1996, adult patrons checked out 3,138 books, children checked out 7,574 books and together they checked out 1,039 videos, 835 audio books and 338 periodicals. This comes to a circulation total of 12,924. That's almost a thousand more than 1995! During the year, we were forced to double our orders for both best sellers and audio books due to patron demand. In addition, through the interlibrary loan system, the Library secured 294 books requested by patrons and loaned forty books from our own collection to patrons of other libraries.

Eighty-two new families became card-carrying patrons bringing the total of family cards issued to Auburn residents to 872. And 144 children participated in our Summer Reading Program and Summer Story Time.

The Friends of the Library sponsored a number of lectures and slide presentations over the year as well as other activities for the whole family. These included:

- | | |
|-----------------|--|
| <i>February</i> | <ul style="list-style-type: none"> • Love Your Library Month, with free raffle for adult and children's prizes. • Meet the Currier Gallery of Art discussion and slide presentation. |
| <i>March</i> | <ul style="list-style-type: none"> • Lecture on Medications and Pharmacy Topics |
| <i>April</i> | <ul style="list-style-type: none"> • Career Night at Auburn Village School • Stamp Collecting - a school vacation activity |

- | | |
|------------------|--|
| | <ul style="list-style-type: none"> • Wildlife lecture during National Wildlife Week |
| <i>May</i> | <ul style="list-style-type: none"> • Lecture on Travel in Russia |
| <i>June</i> | <ul style="list-style-type: none"> • Lecture on Travel in France |
| <i>July</i> | <ul style="list-style-type: none"> • Annual Book & Bake Sale • Fishing Theme Raffle & Drawing |
| <i>August</i> | <ul style="list-style-type: none"> • Teddy Bear Ice Cream Social & Awards |
| <i>September</i> | <ul style="list-style-type: none"> • Town Bazaar Booth - Ice Cream Sundaes and Vermont Teddy Bear Raffle |
| <i>October</i> | <ul style="list-style-type: none"> • Harvest Craft and Bake Sale, and Teddy Bear Drawing |
| <i>November</i> | <ul style="list-style-type: none"> • Annual fudge sale with proceeds going toward purchase of books on New Hampshire History and/or books by New Hampshire authors • Adult Craft Classes - Christmas trees |

In addition, the Friends continued their support with the purchase of awards for the Summer Reading Program, bookmarks imprinted with the Library's hours of operation and our new notice board as well as the letter kit to go with it.

We are very proud of the increased support we have enjoyed from volunteers and very generous donors. They provided us with not only a clean, well organized facility, but also with a new television set. A cadre of volunteers is working diligently on cataloguing our collection and one graciously donated his time and talent to provide a guided fishing trip as part of the fund-raising efforts of the Friends of the Library. To all who donated time, books or energy to a successful year, we say a heartfelt "thank you." To those who haven't visited lately, we can "C'mon in!"

AUBURN Village School

1997-1998 School Warrants & Budget

1995-1996 Annual School Reports

In Memory Of
Mr. Raymond Bourque
Auburn Village School Principal

When viewed through the eyes of a child, the world can sometimes be a pretty unwelcoming place. It sometimes seems that the only constant is change, and that can be very unnerving if you happen to be six, eight, or twelve years old. For the children of Auburn, there was one other constant in their lives. For seventeen years, every day they walked through the doors of the Auburn Village School they knew Mr. Bourque would be there. They also knew that the school was a warm, safe place where they were free to learn, to explore, and to grow. Ray cared about Auburn's children and actively sought out potential teachers he thought would care as much as he did. The school was truly his family. If a class needed something special done over the weekend, he did it gladly. If a child or family were having a problem, time would never be a roadblock to finding a solution. His life revolved around the school, and in many ways, the school revolved around him.

As time passes, for many of the younger children in the school, their memories of Mr. Bourque will begin to fade. But for thousands of other students who have passed through Auburn Village's doors during those seventeen years, Ray Bourque's influence on their lives will be remembered for a long time. He gave them stability, he gave them a constant. He gave them a welcoming place to learn, explore, and grow.

TO THE INHABITANTS OF THE SCHOOL DISTRICT, IN THE TOWN OF AUBURN, NEW HAMPSHIRE, QUALIFIED TO VOTE IN DISTRICT AFFAIRS:

You are hereby notified to meet at the Auburn Village School in said District, on the 14th day of March, 1997, at seven o'clock in the evening, to act upon the following subjects:

1. To hear the reports of agents, auditors, and committees or officers chosen and pass any vote relating thereto.
2. To see if the District will vote to raise and appropriate the sum of fifty thousand dollars (\$50,000.00) to reduce the anticipated general fund deficit relating to tuition costs pursuant to RSA 189:28-a. (Rec. by Bud. Com. & Sc. Bd.)
3. To see what sum of money the District will vote to raise and appropriate for the support of schools, for the payment of salaries and benefits for school district officials and agents, and for the payment of statutory obligations of the District.
4. To obtain a sense of the community regarding possible options to address anticipated future school district facility needs. The School Board will be considering construction of a new elementary school or an addition to the current facility to provide for an increase in enrollment. AUBURN SCHOOL DISTRICT MEETING

March 15, 1996

The Auburn School District Meeting was called to order at 7:25 p.m. on March 15, 1996, by Bruce A. Mason, Sr., Moderator.

The moderator read the School Warrant for Election of Officers. The results of that election were as follows:

School Board Member for Three Years

Kenneth Rhodes	677
Dick Shackelton	99
Lewis Theos	10

School Board Member for One Year

Joseph Leverone	705
Dick Shackelton	30
Lewis Theos	11

Article 1: To hear the report of agents, auditors and committees or officers chosen and pass any vote relating thereto.

Mitch Henley moved Article 1 as written. Second by Gene Cleary.

Ken Rhodes gave a summary to the District regarding projects and events at Auburn Village School. Mr. Rhodes then presented Mitch Henley with a Certificate of Appreciation and a crystal apple for his work on the Auburn School Board.

Article 1 passed.

Article 2: Shall the Auburn School District accept the provisions of RSA

195 (as amended) providing for the establishment of a cooperative School District, together with the School Districts of Candia, Deerfield, and Hooksett, in accordance with the provisions of the proposed Articles of Agreement filed with the School District Clerk? (Recommended by the School Board) (Majority ballot vote required)

Julie Gage moved to postpone the vote on Article 2 indefinitely. Will Drolet second.

Ms. Gage explained the School Board's reason for this was that because Candia School District voted not to accept the Articles of Agreement, they were now null and void because they were based on a four town Cooperative.

A lengthy discussion followed. Vincent Galvin moved the question.

A Vote was taken to table Article 2 indefinitely.

Article 2 was tabled indefinitely.

Julie Gage asked for a straw vote from the District to continue with the Cooperative Study Committee. In a show of hands the District voted to continue with the Committee.

Article 3: To see what sum of money the District will vote to raise and appropriate for the support of schools, for the payment of salaries for the School District officials and agents and for the payment of statutory obligations of the

District. (Recommended by the School Board) (Majority vote required)

John Chambers, Chairman of the Budget Committee, motioned to accept the budget figure of \$4,933,598.00. Second by Ken Rhodes.

Mr. Rhodes reduced the budget figure by \$45,000.00 to \$4,888,598.00.

Herb Tardiff moved to increase the budget by \$9,882.00 for a half-time school psychologist. Joe Cleaves second.

A discussion followed regarding the budget and the increase.

John Davis moved the amendment. **A vote was taken and the motion to**

increase the budget by \$9,882.00 was passed.

Vote was taken on Article 3 in the amount of \$4,898,480.00.

Article 3 passed.

Article 4: To transact any other business that may legally come before this meeting.

Ken Rhodes moved Article 4 as written. Second by Jim Andrus. John Davis motioned to adjourn. Paula Marzloff second. A vote was taken and the meeting adjourned at 9:20 p.m.

Respectfully submitted,

Janice A. Griffin-Fusco
Auburn School District Clerk

Principal's Report

Graduation exercises were held on June 18, 1996, with 80 students receiving diplomas. The Guest Speaker was Terri Koufopoulos. Honor speakers were Shanna Coleman, Michael Kelliher, and Jessica Nesbitt. Department awards went to Jessica Nesbitt, Social Studies; Michael Kelliher, Science; Laurent Clow, English; and Shanna Coleman, Mathematics. The Honor Student Award was presented to Shanna Coleman, the PTA Most Improved Award was presented to Benjamin Maggiore, and the Millie Preston Service Award was presented to Holly McDonald. The Auburn School Board Citizenship Award was given to Lisa Zumwalt. The American Legion School Medal Awards were presented to Lindsey Peck and Nicholas Krohn. The Auburn Education Association Teacher Appreciation Award was given to Jayme Beliveau and Tod Grossmith. The Kenneth Dix Spirit Award was presented to Katherine Wills.

Millie Preston Memorial Scholarships were presented to Jonathan Buttrick who is attending the University of New Hampshire majoring in Journalism and Heather LeMay who will attend the New Hampshire Technical Institute in Concord. Heather is pursuing a degree as a Paramedic. Marion Heald Scholarships were presented to Christine Breault who is planning a career in Occupational Therapy and will be attending Mount Ida Junior College and Melissa Koufopoulos who is attending Northeastern University majoring in Physical Therapy.

During this past school year, the staff at the Auburn Village School has been busy in the area of Curriculum and Instruction. Frameworks have been completed for Language Arts, Mathematics, and Social Studies. SAU-wide Science frameworks have been written and will be implemented in Grades R-8 during the 1996-97 school year. The Auburn teachers are also working in concert with a consortium of school districts in New Hampshire developing an off-year assessment program in partnership with CTB McGraw-Hill.

The Auburn Village School Technology Committee has been re-activated and has completed an assessment survey of teachers' needs and equipment available for instructional use. The committee has recommended that the computer lab be upgraded with new computers and that the older computers be used in the primary grades. The committee has also recommended that the Auburn School Board hire a Technology Consultant to work on improving the computer literacy level of the Auburn Village School staff.

The Auburn Village Long Range Action Committees have completed the majority of their work, and the Steering Committee will begin to draft a plan to insure that their many hours of hard work actually become part of a long range educational plan for Auburn.

We can be proud of the accomplishments of the students at Auburn Village, but we have to give special recognition to the team of OM students who received world recognition by placing 6th in the World competition recently held in

Ames, Iowa. These efforts are the result of countless hours of work completed by students and volunteer coaches.

I appreciate and am thankful for the many outstanding contributions that the PTA makes to our school. I encourage all parents and teachers to become an active member. Special recognition goes to the PTA Officers and Committee members for the leadership they have provided to make the events that they have sponsored so successful. I also

want to thank the faculty, staff, students, parents, School Board members, the Superintendent of Schools, SAU #15 staff, and those other members of the community whose efforts have helped to improve the quality of education in Auburn.

Respectfully submitted,

Raymond Bourque

INDEPENDENT AUDITOR'S REPORT ON FINANCIAL PRESENTATION

To the Members of the School Board
Auburn School District
Auburn, New Hampshire

We have audited the accompanying general-purpose financial statements of the Auburn School District as of and for the year ended June 30, 1996. These general-purpose financial statements are the responsibility of the School District's management. Our responsibility is to express an opinion on these general-purpose financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards and *Government Auditing Standards* issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the general-purpose financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the general-purpose financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall general-purpose financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

The general-purpose financial statements referred to above do not include the general fixed assets account group which should be included in order to conform with generally accepted accounting principles. As is the case with most municipal entities in the State of New Hampshire, the Auburn School District has not maintained historical cost records of its fixed assets. The amount that should be recorded in the general fixed assets account group is not known.

In our opinion, except for the effect on the financial statements of the omission described in the preceding paragraph, the general-purpose financial statements referred to above present fairly, in all material respects, the financial position of the Auburn School District, as of June 30, 1996, and the results of its operations for the year then ended in conformity with generally accepted accounting principles.

Our audit was made for the purpose of forming an opinion on the general-purpose financial statements taken as a whole. The combining and individual fund financial statements and schedule listed in the table of contents are presented for purposes of additional analysis and are not a required part of the general-purpose financial statements of the Auburn School District. Such information has been subjected to the auditing procedures applied in the audit of the general-purpose financial statements and, in our opinion, is fairly presented in all material respects in relation to the general-purpose financial statements taken as a whole.

In accordance with *Government Auditing Standards*, we have also issued a report dated November 25, 1996 on our consideration of the Auburn School District's internal control structure and a report dated November 25, 1996 on its compliance with laws and regulations.

Superintendent's Report

1995-1996

To the Citizens of Auburn:

Traditionally, the Superintendent is asked to prepare a report to the citizens of Auburn highlighting the accomplishments of your school in the previous year. Under ordinary circumstances, I would review the events and activities of this school year in my report next March. This year has been anything but ordinary, however, and while I will review some of the activities that occurred last year, I would like to begin my report by honoring the memory of Mr. Ray Bourque.

For over 17 years, Ray Bourque and the Auburn Village School were synonymous. His dedication to the school and the children of Auburn have been well chronicled. Ray developed a strong sense of "family" not present in other schools. Mr. Bourque and the people he hired to work with your children created a unique school. It is that sense of "family" fostered so long and so well by Mr. Bourque, that may prove to be his most lasting legacy in Auburn.

In the difficult days that followed Mr. Bourque's passing, the faculty and staff of the Auburn Village School modeled how an exceptional group of professionals work together. They supported Pam Shepard, our new Assistant Principal, and Angelo Panteli, our Interim Principal, in insuring a smooth and productive operation of the school. My thanks and the thanks of the Auburn School Board to the staff for continuing to do an outstanding job of educating Auburn's children.

Assessment Results

During the spring of the 1995-1996 school year, Auburn's third and sixth grade students participated in the annual New Hampshire State Assessment Program. This was the third year of testing third graders and the first year of testing in the sixth grade. These performance assessments are quite different from traditional standardized tests in that they require students to demonstrate their knowledge and skills, rather than just recall factual information. While our sixth graders scored at or slightly above the state average in the four areas of Language Arts, Math, Science, and Social Studies, this data serves as a baseline for us to chart our future progress. These first year

results are not unlike those we achieved in our first year of testing in the third grade. Our third graders distinguished themselves as one of the top scoring groups in the state this year. Our students did an exceptional job in both the Language Arts and Math testing, and we have received a number of calls from other districts asking about our curriculum frameworks, teaching strategies, and student preparation that resulted in such high achievement.

OM Competition

Students from Auburn also distinguished themselves at the Odyssey of the Mind World Competition in Ames, Iowa. The community once again demonstrated their generosity by supporting our youngsters and adult volunteers in their fundraising efforts to make this trip a reality. Once they arrived in Iowa, they delivered their best performance of the year and finished 6th in the world in their category.

Planning for the Future

Technology and Long-Range Planning are two areas in which the community and school staff are working together to improve our school district. Both of these initiatives are currently ongoing and have generated a great deal of community input into the future direction of our district.

Space Crunch

The school year concluded with the decision by the School Board to add a modular classroom and an additional first grade teacher to accommodate an exceptionally large incoming first grade class. Work took place throughout the summer and the new classroom space was ready for the opening of school in September. Continued growth has caused renewed interest in our school facility and its ability to absorb additional students. This issue will continue to be of concern to the School Board and community, and will be the subject of in-depth study in the months ahead.

In closing, I would like to thank the School Board and the citizens of Auburn for their support. The successes of your school are a reflection of the combined commitments of the entire Auburn community.

Respectfully submitted,
Paul A. Fillion, Ed.D.
Superintendent of Schools

School Board Chairman's Report

Since my last report to you, there have been a lot of interesting changes in the Auburn School District and Auburn Village School. If I were to touch on all the things that have been going on in the past 12 months, this report would go on for some time.

Obviously, the biggest change at the Auburn Village School is due to the untimely passing of our long-time Principal, Mr. Raymond Bourque. Mr. Bourque was the heart and soul of Auburn Village School for over 17 years. A great deal of our programs and facilities are directly related to his dedication and guidance. As the current Board and administration were working on new initiatives, Mr. Bourque was excited about participating in guiding AVS "to the next level."

His passing put our new Assistant Principal, Mrs. Pam Shepard, in a very interesting position. After only six weeks on the job, she found herself in charge of AVS at a time when she was just becoming familiar with the staff, parents, and children. It is a credit to everybody involved in the Auburn education system that after Mr. Bourque's passing, people pulled together and committed themselves to making our program continue to operate smoothly. In the Board's estimation, they did an outstanding job under very difficult circumstances. Pam Shepard and the entire staff deserve our lasting respect for their work. We will shortly be hearing recommendations regarding a search for a new permanent principal. However, in the interim, Dr. Angelo Panteli was brought on as Principal at Auburn Village School. In a very short time, Dr. Panteli has established himself as an excellent educational leader. We are lucky to have him on board.

During this year, we have continued to receive additional confirmation that the Town's commitment and support of the Auburn Village School's educational program is showing results. The third grade assessment results published in 1996 indicated that Auburn Village School students ranked very high in comparison to their peers around the State. In fact, our administration has received a number of inquiries from other districts asking how we were doing it. In addition to the third grade results, our children, with the dedication of many parents and teachers, continue to perform impressively in Odyssey of the Mind

competitions, at a state and national level. Any individual measure of our students' achievements are fleeting successes. However, it appears that in several different ways, Auburn's students and programs are not only measuring up, but exceeding our state and local expectations.

All this being said, we continue to look for areas of improvement. We continue to have a full commitment to our improvement and use of high technology teaching techniques. A reality of moving forward in this area involves improvements in the basic hardware infrastructure at AVS, including establishing proper networks and hardwiring around the building. Our 1997-1998 budget request continues a commitment the community has made in this area and is important to our students' futures. We are continually reviewing the application of this technology to assure that we are getting results from the Town's investment and not just responding to the glitz of having computers all over the school.

We have continued to report over the past couple of years that our student population is beginning to stretch the ability of our current building to accommodate our program. We had another "warning shot" given to us this spring when the large first grade enrollments indicated that we were either going to have unusually large first grade classes, or needed another instructor. In April and May, our Board Meetings were dominated by the evaluation of, and solution to this problem. Our deliberations involved a great deal of input from the community. From these discussions, the new portable classrooms were leased and added to create additional space and continue our program. We are beginning to see that our pause in projected enrollments increases is going to be over quickly and we need to seriously face how we are going to handle the Town's future schooling needs. Hopefully, we can discuss some options at our District Meeting. I would encourage all interested parties: parents, staff, and all Town's people, whether you have children in the school or not, to participate in this very important debate. We can only hope that our next decision regarding facilities will be as foresighted as those made by your previous Boards and administration that have brought us to this point.

As I have done in previous years, I would like to conclude by acknowledging the ongoing leadership offered by the Superintendent's office and our Superintendent of Schools, Dr. Paul Fillion. He has been instrumental in continuing to push our program forward, help us through the tough times, and provide dedicated leadership. He continues to question the basic assumptions, and is guided by the simple vision of providing children with that which we as

adults owe them...our knowledge, guidance, and commitment to their futures.

On behalf of the entire School Board, I look forward to the challenges we face together.

Respectfully submitted,

Kenneth R. Rhodes, Chairman
Auburn School Board

REPORT OF THE COOPERATIVE STUDY COMMITTEE

Three years ago, the voters of the town of Auburn passed a warrant article to establish a planning committee for the purpose of looking into a cooperative high school. The committee was formed with one school board member and two community members.

During the next year, the three committee members met with area towns to see if they were interested in a cooperative school and if they had similar educational philosophies. In March of 1995, the voters confirmed the research of the Cooperative Planning Committee by approving funds for them to continue their work. Then the towns of Auburn, Candia, Deerfield, and Hooksett joined together and formed the Cooperative Planning Board.

For the next year, the Board worked on its charge according to the RSA 195:18 which states: *The Planning Board shall prepare proposed Articles of Agreement for the proposed Cooperative School District which shall be signed by at least a majority of the membership of the Planning Board.* RSA 195:18 then sets forth in detail what issues are to be addressed in the Articles of Agreement. Three subcommittees were formed with one member from each town. The subcommittees were Site, Board Makeup, and Finance. Each subcommittee met and wrote their Articles of Agreement and presented them to the Board. After much discussion, the Articles of Agreement were written and accepted by the Planning Board for presentation at a Public Hearing in November 1995.

After the Public Hearing, the Planning Board discussed public input and voted to revise two articles. They were then presented to the State Board of Education on January 10, 1996, and

approved unanimously. Then the voters of all four towns had to vote on the articles and they had to pass in all four towns. The first town to vote did not pass the Articles of Agreement. In Auburn, the vote was not taken on the Articles of Agreement as they had already failed, but a vote was taken to see if the Planning Committee in Auburn should continue its efforts. The vote was favorable.

After all four towns had their school district meetings, the members of the planning committees of the four towns met to see if they would like to form a new planning board and rewrite the Articles of Agreement. At that time, two of the four towns did not wish to do so. The two remaining towns, Auburn and Deerfield, did discuss joining together by themselves. It was the view of the Board that a cooperative high school with Deerfield could not offer the broad education students now receive and be cost effective.

The Planning Committee was contacted by the Litchfield School District and did meet with them. They do not have a Cooperative Planning Committee in place and cannot do so until their school district meeting this March.

This Planning Committee will no longer be in effect as of March 1997 as the statute states the committee will only be in existence for three years. The education of our high school students is and will continue to be an important issue in Auburn and will be monitored closely.

Zoning Board of Adjustment

The Zoning Board of Adjustment meets on demand at the Town Hall on the fourth Tuesday of each month. Requests for a hearing are made to the Zoning Officer.

During the year 1996, the Board held nine hearings handling six Variances, three Special Exceptions, and five Appeals from Administrative Decision, and one site walk.

The hearings are open to the public and are posted at the Town Hall and Post Office. They are also advertised in "The Union Leader."

Minutes of the hearings are posted at the Town Hall for public review.

I wish to express my sincere appreciation to the members of the Board for their time, efforts, and expertise expended on behalf of the Town of Auburn.

ALBERT J. SAMSON, Chairman
Zoning Board of Adjustment

Independent Auditor's Report on Reportable Conditions and Other Matters.

To the Members of the Board of Selectmen
Town of Auburn • Auburn, New Hampshire

In planning and performing our audit of the Town of Auburn for the year ended December 31, 1995, we considered the Town's internal control structure in order to determine the scope of our auditing procedures for the purpose of expressing our opinion on the financial statements. Our review of these systems was not intended to provide assurance on the internal control structure and should not be relied on for that purpose.

Under the standards established by the American Institute of Certified Public Accountants, reportable conditions involve matters coming to our attention relating to significant deficiencies in the design or operation of the internal control structure that, in our judgment, could adversely affect the town's ability to record, process, summarize, and report financial data consistent with the assertions of management in the financial statements. A material weakness is a reportable condition in which the design or operation of one or more of the internal control structure elements does not reduce to a relatively low level the risk that errors or irregularities, in amounts that would be material in relation to the financial statements being audited, may occur and not be detected within a timely period by employees in the normal course of per-

forming their assigned functions. Our consideration of the internal control structure would not necessarily disclose all matters in the internal control structure that might constitute reportable conditions and, accordingly, would not necessarily disclose all reportable conditions that are also considered to be material weaknesses as defined above.

We are pleased to report that, during the course of our review of internal controls, no material weaknesses in the Town's accounting systems and records were identified. Minor weaknesses or other considerations coming to our attention were generally procedural in nature and dealt with administrative or recordkeeping practices. In these instances, we made specific recommendations or provided instruction to those individuals involved during the course of our audit fieldwork.

This report is intended solely for the information and use of management and others within the administration. This restriction is not intended to limit distribution of this report, which is a matter of public record.

The Auburn Planning Board

The Auburn Planning Board is made up of volunteer members appointed by the Board of Selectmen. Presently there are seven voting members and one alternate on the board. An additional alternate position remains vacant. Meetings are held weekly on Wednesday evenings at the Auburn Town Hall. Public hearings are generally scheduled for the second Wednesday of each month. Agendas for meetings are posted outside the Planning Board office.

The Planning Board is responsible for reviewing proposed subdivisions, site plans, lot line adjustments and lot consolidations. Several proposed zoning ordinance amendments were drafted to be included on the March 1997 town ballot. During 1996, several commercial site plans, lot line adjustment/consolidations, and subdivisions were reviewed and approved. In addition, members spent numerous hours in an attempt to resolve issues within the Village of Lake Forest/Griffin Quarry. The board reviewed and adopted the 1996 Revised Master Plan, after 18 months of review.

This year Planning Board secretary, Robyn Kohut retired after 18 years of service to the community. As her successor, I wish

to thank all the planning board members and town hall personnel for helping me feel comfortable and assume the responsibilities of my position.

Residents are reminded that all meetings are open to the public and are held Wednesday evenings at 7:30 p.m. at the Auburn Town Hall.

Respectfully submitted,
CARRIE ROULEAU-COTE
Planning Board Secretary

Auburn Animal Control

1996 was a very busy and successful year. There were 778 dogs licensed and 10 group licenses. We should all be very pleased with these figures as it shows citizens are concerned and responsible about rabies and want their dogs and cats protected. Also, if a dog should escape or become lost and is wearing the dog tags, I have an easy time locating the owners on my computer.

The rabies clinic last March was very successful. We had a large turnout of dogs and cats for vaccination, plus residents were able to license their dogs at the clinic, saving a trip to the Town Hall.

The most numerous complaint at the Police Depart-

ment is barking dogs. Usually, the reason is dogs are tied outside while their owners are at work. They don't realize their dogs bark for long periods of time and upset their neighbors. If we all work together and have consideration for our neighbors, I'm sure we can solve this problem very easily.

The Animal Control Officer is on call 24 hours a day, 7 days a week. If you have a question or concern, please call the Police Department at 483-2134. It has been a pleasure meeting so many new people this year and the cooperation I have received has been outstanding.

Cable TV Committee

Expiration of the fifteen (15) year franchise agreement (Town of Auburn's contract with Continental Cable) occurred in September of 1996. Because of the magnitude of technological changes over that period of time, and because Auburn Cable TV subscribers were receiving inferior services vis-a-vis Manchester and other customers of the service provider, your Cable Committee set as its goals:

- Renewing the contract with a shorter time frame until the next renewal with periodic technology reviews in the interim of whatever franchise agreement duration could be negotiated;
- Commitment to substantive improvements in services and coverage of the entire Town;
- Upgrade of services to the Auburn Village School, Library, Police and Fire Departments for access to forthcoming cable TV and related (e.g., Internet) services; and
- The capability for Auburn to be served by a community access TV of its own — with transmission capabilities from the School and Town Hall.

In preparation for the negotiations, the Committee members researched current and projected technologies, agreements other NH towns have with Continental, and cost-effective ways to provide for educational and CATV services for Auburn citizens. After a prolonged negotiation with Continental and a one-month extension of the old agreement to maintain services until an open hearing could be held and the new agreement approved, the Selectmen signed a new agreement with Continental in October.

The new contract is for ten (10) years, but with a technology review provision in the third year and the option to reopen negotiations at year seven. According to the new agreement, Auburn subscribers will have substantively improved services by October of 1997 — to include all channels available to Manchester and with greater bandwidth than Manchester presently has — which effectively "opens capacity of the 'information superhighway' " via Cable TV to Auburn residents. Further, the funding is in place for Video transmission capabilities from AVS and Town Hall — the actual implementation subject to planning actions recommended to and approved by the Selectmen.

Respectfully submitted,
BARBARA BELANGER
BILL HUNZEKER
PETER MARTIN
Auburn Cable TV Committee

Health Officer's Report 1996

This year was another challenging and interesting one as Health Officer. Complaints ranging from leaky roofs, flea infestations, outdated food, smoking while preparing food, outdoor clutter, strange odors and overall living conditions from citizens were investigated.

In May, I attended the annual NH Health Officers Educational Conference in Concord. Subjects such as Groundwater Contamination Prevention and DES Update on Septic and Sludge Rules were on the agenda.

Five (5) septic systems were inspected and found in failure. Homeowners were notified to repair or replace the systems.

There were six (6) Child Day Care Inspections for license renewal. One smoking complaint, and water quality was investigated.

In late August the annual inspection of the Auburn Village School was conducted. No reportable incidents were found. The school staff should be commended for a very well maintained building.

In September, as Health Officer, I participated in Auburn's Office of Emergency Management table top exercise.

I would like to take this opportunity to thank everyone for their continued cooperation in helping Auburn remain a healthy place to live, work and play. Should anyone have any health related concern or complaint, I may be reached by calling the Selectmen's Office.

Respectfully submitted,
LEO P. BLAIS, SR.
Health Officer

Highway Safety Committee

The Highway Safety Committee was pleased to welcome the new representative of the Board of Selectmen, Donald Benyo, who replaced Paula Marzloff. A great loss for the Committee was the passing away of Mr. Benyo on the first of October, 1996. Later that month, the Committee welcomed James Headd as the new representative.

The Highway Safety Committee saw a challenging and successful year of accomplishments.

Street signs for the renamed streets were ordered so as to comply with the Enhanced 9-1-1 System and will be installed as soon as the State Department completes the numbering system. Because street signs are often vandalized or taken and in order to preserve the rural character of the Town, a pilot program received approval to put up wooden street signs at selected intersections. These signs will be made a project for the 7th and 8th grade industrial arts classes at the Auburn Village School. Also discussed was making the locations of street signs uniform throughout the Town.

A number of letters requesting signs such as "No Through Street," "Blind Driveway" and "Slow-Children" has been received and recommendations were made to the Board of Selectmen when these were warranted.

The speed limit on By-Pass 28 continued to receive the attention of the Committee. The Derry portion of the By-Pass is posted at 45 mph, whereas the Auburn portion varies from 30 mph to 55 mph. Especially the area of the boat launch at Deerneck Bridge was considered a dangerous spot by many residents of the Town.

In cooperation with the Board of Selectman and the State Department of Transportation, the By-Pass is now posted overall at 45 mph. Also "No Parking" signs were installed by the State Department of Transportation on the west side of By-Pass 28, north and south of the Deerneck Bridge.

A "6 Ton Limit" sign was recommended and installed on both sides of the bridge on Depot Road, because this bridge is on the list as needing replacement.

Checking and cleaning out the culverts in Town was recommended to the Board of Selectmen. With heavy rains, culverts overflow and water is running over properties and streets.

A subcommittee was formed to have a look at the two boat launches, Deerneck Bridge and Severance Beach,

and the possibility of opening another boat launch at a safer location. Both the areas pose a danger to the public and traffic. The chairman of the Public Water Access Advisory Board of the State of New Hampshire as well as the Town Engineer are part of this subcommittee. The subcommittee met with the Manchester Water Works to discuss the possibility of opening up an area at Deerneck Bridge for parking. It also will have a look for a better enforcement of the curfew hours on the lake. Complaints are continually received from abutters about the noise during these hours, on the lake as well as on the embankments. Several areas were mentioned as possible alternate boat launches.

Striping of the main thoroughfares in Town was recommended to the Board of Selectmen.

Recommendation was made to move the 30 mph speed limit sign on Chester Road/Bunker Hill Road about 1/2 mile back. The speed limit was 40 mph and with the new playground in place more vehicles will turn in and out of Bunker Hill Road.

The Committee received a copy of the Inventory and Assessment of Road Surface for the Town, done by the University of New Hampshire. Especially after last winter some roads are in bad shape. The Town Engineer explained some of the details in the report. A warrant article will be drawn up for the March Town Meeting for floating a bond to reconstruct and/or repair the roads.

The Highway Safety Committee meets on the third Thursday of each month with the exception of July and August, at 7:30 p.m. in the Town Hall. All meetings are open to the public. Auburn residents with concerns for road safety, street or road signs, and road hazards may appear before the Committee during any meeting, or may make their concerns known in writing.

The Committee is looking forward to another successful and active year in 1997, with many improvements in safety for the residents of Auburn. The Committee thanks the citizens who brought concerns to the Committee and so made Auburn a nicer and safer place for all.

Respectfully submitted,
DAVID FLIGHT
Chairman

Auburn Police Department

1996 Summary

Nineteen Ninety Six has equaled Nineteen Ninety Five for activity. The Auburn Police Department exceeded seven thousand calls for service, ranging from animal calls to the incidents involving felony criminal activity. The variety of criminal activity in town is due in part to the town's proximity to Manchester. This year we had an increase of residential burglaries, and business burglaries, totaling twenty-six. The good news is that fifty percent of the burglaries were solved. However, only a small portion of the stolen items were recovered.

The professionalism of our police department has directly reflected another good year regarding court proceedings. In the Auburn District Court, and the Rockingham County Superior Court our cases are prosecuted to a successful conclusion.

The town had only one fatal accident this year, and that was alcohol related. This low number is the result of the aggressive DWI Patrols which produced 25 DWI arrests. All 25 of these arrests were found guilty in court. The department will continue, with the help of DWI grants, to do the aggressive DWI patrols to keep intoxicated drivers off our roads, and keep our residents safe.

In January our four new part timers, Timothy King, Michael Bernard, Dave Patten, and Paula Page went to the part timers academy. They passed with flying colors, with Dave Patten #1 academically in the class and are doing a fantastic job patrolling our roads. Unfortunately we did lose one officer, Mitchell Henley resigned, to the disappointment of his co-workers.

Our current roster is as follows:

Chief:	Edward G. Picard	(FT)
Lieutenant:	Donald Eaton	(PT)
Full Time Patrolmen:	David Flight	
	Michael McGillen	
	Gary Bartis	
	Scott Tardiff	
Part Time Patrolmen:	Thomas Wickey	
	Daniel Goonan	
	Timothy King	
	Michael Bernard	
	David Patten	
Secretary/Dispatchers:	Paula Page	
	(also Part Time Officer)	
Full Time:	Dona Davis	

Our members were challenged this year by the untimely deaths of Auburn Village School Principle Raymond Bourque, and Auburn Selectmen Don Benyo. The town was torn with grief and the police department continued to operate professionally, while mourning in its own way. Officer Bartis was thanked by the staff the Auburn Village School for being a part of their Crisis Management Team to help the grieving process of the teachers and students.

The Motorcycle grant continued with Officer Flight and Officer McGillen working as the motorcycle officers. They have been instrumental in slowing down drivers coming through town and keeping the town safe. They were an intricate part of the 430 summons and 2,861 warnings handed out this year. Nineteen Ninety Seven will be another year to use the motorcycle to keep the roads safe.

Officer Tardiff is having great success with his neighborhood watch program, and his community policing program. We encourage anyone interested in starting a crime watch program in their neighborhood to contact officer Scott Tardiff at 483-2134 during normal business hours.

In closing, we wish to thank you, the people of Auburn, for your continued support. We are here to serve you and we ask that you not hesitate to call us to report any problems or concerns you may have. The Statewide EMERGENCY telephone number now in effect for police, fire, and ambulance is 911. Our old emergency number, 483-2922, will continue to be manned 24 hours a day. Our non-emergency number, 483-2134, will be answered during normal business hours. We look forward to 1997 as being another great year for the Auburn Police Department and we wish the same for you and your families.

Respectfully submitted,
EDWARD G. PICARD,
Chief of Police

Auburn Volunteer Fire Department

Once again, the Auburn Fire Department has experienced an increase in call volume. The 1996 year showed a 10% increase over the 1995 year, and with that comes a rise in man hours being spent by the membership. Although 1996 showed a down sizing of fire apparatus and a reorganization in department structure, the membership still spent over 4,600 hours responding to calls, maintaining two stations, maintaining fire/rescue apparatus and training. These 40 members, both men & women, have devoted countless hours of commitment to keep this organization running well.

Rescue Calls	141
Wires Down	35
Alarm Activation	30
Service Calls	29
Mutual Aid	17
C.O. Calls	13
Cellars Pumped	13
Good Intent	12
Brush/Grass	12
M.V.A.'s	10
Building Fires	6
Auto Fires	4
Hazmat Incidents	4
MVA with Extraction	2
False Alarms	2

Animal Rescues	1
TOTAL	331

This past year several members have increased their education to the next level in the New Hampshire Fire Standards and Training Commissions education tree. These members achieved Fire Fighter Level 2 and in the next up and coming year hope to finish off their fire fighting education with Level 3. Other members have gone on to achieve EMT-Intermediate and even started the New Hampshire Paramedic program.

The Auburn Firemen's Association has been active in fund-raising this past year. Their activities assist the Fire Department in keeping expenses down and help turn a little bit back into the town. This is evident by the very successful fire prevention program, scholarships and most recently, the Junior Fire Setters Program. These two organization's combined, have made this department a well-respected organization in the area.

As always, outdoor burning is a privilege and permits are required. You may only be issued a permit on the day you are going to burn. Additional days may be added, but are handled on a case by case basis and only after the approval of the fire warden/fire chief. Please contact your local deputy warden to obtain a permit or stop by the Pingree Hill Fire Station any Saturday or Sunday morning for details.

Report of Town Forest Fire Warden and State Forest Ranger

To aid your Forest Fire Warden, Fire Department and State Forest Ranger, contact your local Warden or Fire Department to find out if a permit is required before doing any open burning. Violations of RSA 227-L:17, the fire permit law and the other burning laws of the State of New Hampshire are misdemeanors punishable by fines of up to \$2,000 and/or a year in jail. Violators are also liable for all fire suppression costs.

There are ten Forest Rangers who work for the N.H. Division of Forests and Lands, Forest Protection Bureau. State Forest Rangers are available to assist communities with forest fire suppression, prevention and training programs as well as the enforcement of forest fire and timber harvest laws. If you have any questions regarding forest fire or timber harvest laws please call our office at 271-2217.

The State of New Hampshire operates 15 fire towers, 2 mobile patrols and 3 contract aircraft patrols. This early detection and reports from citizens aid in the quick response from local fire departments.

JOHN R. DODGE, Forest Ranger
BRUCE PHILIPS, Forest Fire Warden

Recreation Commission Report

The Year 1996 In Review

The year 1996 has proven to be a year of major improvements at Sandy Acres Recreation Area. Long-range plans, drawn up in 1994 and 1995, saw completion or progress to the next step. Programs which have become staples over the years such as the Summer Program, the After-School Ski Program, and the Senior Citizens spring and fall tours, were continued.

In March, the Commission welcomed the new representative of the Board of Selectmen, Donald Benyo, who replaced Paula Marzloff. To the Commission's great loss, Mr. Benyo passed away on October 1, 1996. Later that month we were pleased to welcome James Headd as representative. The Commission was also fortunate to work for a couple of months with a third Commissioner. Unfortunately, this position is now vacant again.

The ball fields at Sandy Acres Recreation Area saw a busy and full use by many Auburn as well as by out-of-town baseball, softball, and soccer leagues. The fields are continually improved by fertilizing, reseeding, and loaming. The Little League organized a cleanup day on April 6 — debris was removed, the grass raked, the area seeded, and the dugouts reroofed. Volunteers of the Little League donated many hours, materials, equipment and funds for improvement of the fields. The basketball court was closed and plans for 1997 include changing the basketball court to a tennis court. Direction signs on both the north and south side of By-Pass 28 were erected.

The playground equipment was checked, regrounded and made safer. The long-range plans still include a well, an irrigation system, planting of trees, a picnic area, and preparation of 26.5 acres of additional field which will be added to the existing area in 1997.

A third set of bleachers has been installed and the Recreation Area was made handicapped accessible, including three parking places with signs.

For the students of Auburn, the Recreation Commission again sponsored the soccer instructional program and the basketball program coached by the Manchester Suburban League. The Town also has the Auburn Recreational League; these two leagues may be merged next year. Improvements to Appletree park are continuing. The basketball court has been finished. The Commission called on the help of the Cooperative Extension Service forester for advice on the possibilities and options for this Park.

The After-School Ski Program at Pat's Peak, started on January 3, 1996 and ended on January 31, 1996, under the volunteer direction of Lucy Rhodes. Sixty-one students and thirteen chaperones participated. Lucy Rhodes offered her services again for the 1997 program which will run from January 8, 1997 to February 5, 1997. (Thank you, Lucy, for giving so freely of your time to organize this program.)

The ice rink was curbed and paved this year. With the help of the Auburn Volunteer Fire Department, the rink was filled and maintained during the season. The ice rink was in full use and times are posted in the "Auburn Village Crier" and at the rink. The Auburn Volunteer Fire Department has volunteered again to fill and maintain the rink for the 1996-1997 winter season.

The five week Summer Program under the direction of volunteer Eileen McDonald, was filled to capacity and the six to twelve year old participants enjoyed arts, crafts, and sports on Mondays, Tuesdays, and Wednesdays. Every Thursday, the students took a field trip, and on Friday, they relaxed, played, and swam in Calef Lake, made possible by the generosity of Bill Cooper, owner of Calef Lake Camping Grounds in Auburn.

The Senior Citizens participated in a spring tour to the Seacoast area. In the morning, the Fuller Gardens in North Hampton were visited for their display of spring flowers. Lunch was enjoyed at Saunders, right on the ocean. After lunch, the trip continued to Odiorne Point for the exhibits and a slide show dealing with NH's coastal, environment, and conservation efforts. On the return trip, the Seniors paid a short visit to the General Store at Strawberry Banke.

The Senior Citizens fall tour was to the "Golden Pond" area. In the morning, the Seniors visited the Holderness Science Center for a program on NH mammals featuring live animals. The lunch was enjoyed at the Red Hill Inn in Center Harbor which had a beautiful view of the mountains and the brilliant and bright foliage. In the afternoon, the Seniors went on a boat trip on Squam Lake where the movie "On Golden Pond" was filmed. The trip was narrated by the captain involved in the making of the movie. Many pictures of loons were taken.

The Recreation Commission looks back on the year 1996 and the amount of volunteer hours, materials, and equipment donated by so many. The Commission wants to thank all those who have given so generously of their time and is looking forward to this continuous support. The Commission sponsors programs and activities for all residents of Auburn. Please contact any of the Commissioners with your suggestions or ideas for activities. The Commission likes new opportunities to serve the Community and is always looking for volunteers for the different programs and activities. It enjoys serving the residents of Auburn.

Respectfully submitted,
GALE BUTLER-CHRISTENSEN
Chairman

Building Inspector Report 1996

1996 was another very active year. A total of one hundred eighty-three permits were issued. Twenty-five new single family homes, four new commercial buildings, and two commercial renovations, and one hundred fifty-two home improvement permits.

Total revenue generated from building permits amounted to nineteen thousand one hundred forty-six dollars and twenty-two cents (\$19,146.22).

SPECIAL REPORT: Auburn Rifle Range

Voters at the Auburn Town Meeting on March 16, 1996 appropriated \$15,000.00 for activities related to the rifle range.

The rifle range is located just off Wellington Road and is comprised of about one hundred thirty (130) acres. This land was purchased by the Town of Auburn in 1968 for twenty thousand dollars (\$20,000.00) from the federal government after first refusal from the State of New Hampshire and second refusal by the County of Rockingham. Auburn, now the proud owner of the ex-rifle range did not act on development until the 1980's. In the mid 1970's an industrial concern (sand and gravel) proposed to come in and use the rifle range mountain for gravel by grinding the stone up and paying royalties to the town. The abutters being greatly alarmed over the noise of machinery and trucks and possible dust pollution, nixed the idea.

At a special town meeting in October of 1986 an industrial development commission was authorized. Many projects were entertained, discussed, and scrutinized. Lack of a second entrance/exit has hindered development. By the early 1990's an economic downturn caused development interests to fade. However, the town did do some selected timber cutting in the mid 1980's.

Photo courtesy Mr. & Mrs. Everett Seavy

This Auburn rifle range photo c. 1910 shows soldiers at rifle range practice. Notice the dirt road upper left - this is Wellington Road going to Manchester.

Recently the Auburn Industrial Development Commission has entertained another offer for development. There are limitations as to what this commission may do, i.e. the commission is instructed by the town and New Hampshire Statutes to confine its mission to industrial activities and purposes. Since there are only two zoned industrial areas in town - rifle range and By-Pass 28 southwest - the commission does not propose commercial businesses. Such requests and/or proposals are referred to the selectmen and planning board.

Recently, interest in the range has been re-renewed so the town meeting via the selectmen had an environmental study conducted on this range by Jaworski Geotech, Inc. There were some areas of heavy lead contamination, spotted areas of asbestos, and a number of places of oil/petroleum contamination. The actual report detailing this is on file at the town hall. Costs of cleanup have not been ascertained at this time. Please bear in mind: environmental pollution is a serious liability problem and cleanup costs can run into the high figures.

Photo courtesy Mr. & Mrs. Everett Seavy

Again a picture looking east with soldiers at practice c. 1910. Notice edge of Beach House in upper right corner.

In pursuit of a resolution to this environmental problem, Senator Robert Smith's office was contacted. The senator acted promptly and a conference was arranged with Mr. Jeff Merrifield, legal counsel to the senator on environmental and superfund issues for the Armed Services Committee. The Auburn site is under the jurisdiction of the Army Corps of Engineers with its local district office located in Waltham, Massachusetts.

There is a separate cleanup program in the Defense Department for formerly utilized defense sites...FUDS. There are nearly 9000 such FUDS in the nation. Auburn is not presently a front row priority. As this report is being compiled Senator Smith had filed a special bill absolving states and communities from any environmental pollution liability for FUDS.

This report is phase one; phase two should/may include costs of cleanup, responsibility and a time frame for said activities as determined or directed by town meeting.
